Page: Endorsers

At least 1 endorsement letter is required by the deadline. The nominator may request up to 3 letters. These should be from other individuals familiar with the candidate's work and achievements to submit an endorsement letter supporting this nomination package. You as the nominator and the candidate are ineligible to be entered below. Endorsement letters should be no more than 2 pages in length and describe the endorser's personal experience with the candidate and his/her work, and relate to the achievements cited in this nomination. By entering the name(s) and email address(es) of up to three people below, a personalized link will be emailed to them from awards@isaca.org. It is your responsibility as the nominator to ensure they receive this link (including checking spam folders) AND that they submit the letter by 15 August. Letters MUST be submitted via the link; endorsers should not start a new nomination package. Late submissions are not accepted. All letters received by ISACA are confidential and will not be shared with anyone outside of the review process, including the nominator, without permission of the endorser. It is recommended that the nominator notify the endorsers of their intent to request the letter in advance and ensure receipt of the request from ISACA Awards (awards@isaca.org.) You may click on "send request" below to request the letter immediately and enable the endorser to begin his/her work even if you have not finalized the nomination for submission. Any pending requests for letters will be sent automatically upon clicking "save and submit" when you finalize the nomination.
